Kitchens

Elevate your culinary ventures with our premier commercial kitchens.

Whether you are looking to host a grand event or seeking a professional-grade kitchen for your culinary business needs, our top-tier commercial kitchens at Morley Sport & Recreation Centre and The RISE provide the perfect solution. These state-of-the-art facilities are designed to support a wide range of culinary activities, from event catering to cooking classes and small business operations.

Morley Sport & Recreation Centre Commercial Kitchen

Ideal for both large-scale catering and smaller culinary projects, this kitchen is equipped with commercial-grade appliances and expansive preparation areas. It's perfect for businesses looking to produce gourmet meals, conduct food preparation workshops, or even run a catering business without the overhead of maintaining their own facility.

The RISE Function Suite Kitchen

Attached to our largest function suite, this kitchen also functions independently, supporting culinary professionals in high-profile catering, cooking demonstrations, or as a test kitchen for new recipes. With advanced equipment like a commercial combination oven and a large grill, it offers endless possibilities for culinary innovation.

The RISE Community Hall Kitchen

This kitchen accommodates a variety of community and casual event needs but is also available for independent hire. It's an excellent choice for hosting cooking classes, community culinary events, or supporting local food entrepreneurs needing a fully equipped space to operate.

Versatility for Every Culinary Need

Our kitchens are thoughtfully designed with the flexibility to cater to both large events and independent culinary ventures. Each kitchen features:

- Stainless steel benchtops for hygiene and ease of cleaning.
- Comprehensive commercial equipment including gas ovens, cooktops, and deep fryers.
- Ample cold storage with extensive refrigeration and freezer units.
- Modern amenities like microwaves and commercial dishwashers.

Independent and Event-Based Booking Options

While perfectly complementing our function spaces, all three kitchens can be booked independently, offering flexibility for culinary professionals and businesses. This unique arrangement supports:

- Small businesses and caterers in need of a professional kitchen for food production or catering.
- Culinary instructors and food enthusiasts looking to conduct cooking classes or food-related workshops.
- Chefs and culinary teams seeking a venue for recipe development or cooking demonstrations.

Book Your Culinary Space Today

Our kitchens are in high demand due to their versatility and state-of-the-art facilities. We encourage early booking to ensure availability, particularly if you seek to use the space independently of event bookings. Our team is ready to assist you in tailoring the kitchen facilities to meet your specific needs, whether for a single event or regular use.

The RISE Additional Areas

Small Meeting Room

Located on the ground floor the Small Meeting Room is perfect for groups of up to 12 people. The room is fully appointed with a boardroom table, whiteboard, chairs and climate control. The small meeting room is the ideal setting for interviews, small group training sessions and business meetings.

Balcony

Overlooking the picturesque grounds of The RISE, the expansive balcony area is the perfect location for breakfasts, lunches and twilight social functions. Comfortably accommodating up to 450 people, this area is protected from the elements with an alfresco atmosphere.

Lobbies

The ground floor lobby of the RISE is ideal for public exhibitions and launches with significant display areas and a clean modern appearance. For private social functions, the first floor lobby is a perfect pre or post function networking area, as well as a stand-alone function venue.

Amphitheatre

For a function with a difference, the amphitheatre is a picturesque option. With seating for large groups and easy access to other facilities, it is an ideal outdoor open space for your next event.

Crèche

The flexibility of the Crèche Room makes it an excellent choice for adult group classes or as an auxiliary preparation space for larger events. Whether you're hosting a creative workshop or need extra room for event coordination, the Crèche adapts to meet a diverse range of needs, making it a versatile addition to our facility offerings.

Morley Sport & Recreation Centre Additional Areas

Green Room

Included with all Wellington Room hires, The Green Room is a mid-sized function space that offers a comfortable setting for meetings, workshops, and medium-sized social events. With modern amenities and flexible seating arrangements, it can cater to various event formats.

Please note:

Use of the Green Room is prioritised for Wellington Room bookings. If you wish to book the Green Room separately, please contact us for availability.

Crèche

Our Crèche Room is designed to cater to events involving young children. Safe, vibrant, and engaging, this room is perfect for small birthday parties and other child-friendly activities. It features child-safe furniture and a secure environment. The Crèche is also suitable for small group classes for adults, as well as an additional preparation space for larger events.

Group Fitness Studio

Catering for a maximum of 20-30 people, the Group Fitness Studio is available for specialised hire. Limited hire times are available, so please contact us for more information.
